## CLINICAL PSYCHOLOGY AND PSYCHOTHERAPY SECTION OF THE GERMAN PSYCHOLOGY SOCIETY (DPG) INVITATION TO THE 38<sup>TH</sup> SYMPOSIUM MAY 12<sup>TH</sup> – 15<sup>TH</sup> 2021 IN MANNHEIM

Due to the current situation we, the Chair for Clinical and Biological Psychology and Psychotherapy, cordially invite you to the **digital** 38th symposium of the DPG Section from May 12th – 15th 2021.

The motto of our congress is **“Basic and Applied Psychotherapy Research Hand in Hand.”** With your contributions, we would like to illustrate how basic research in biological and cognitive psychology can be combined with modern models of psychopathology and innovative intervention methods.

The symposium will include an international track in English, as well as support for students attending the conference from abroad.

We are looking forward to your attendance and your scientific contributions.

Georg W. Alpers and the Congress Team
